Seeding A Gully

Heavy rains "drowned out" a Girl Scout project on at least three occasions but on Wednesday, May 10, the Cadettes of Troop 311 finally did it! They received instruction on soil conservation from R. E. McClenny, Jr., Appomattox-Campbell county conservationist; then proceeded to an area near Oakville where they raked an embankment on T. R. Martin's farm, then fertilized it and sowed grass seed. Mulching was the last step (above) for these Scouts (from left): Robin Carter, Judy Bryant, Janice Gagneur, Brigid Watts, Valencia Lewis, Rhonda McCoy,Celia Mosley. (Not shown): Cindy Bryant and Bonita Johnson. Cadette Troop leader is Miss Chris Acree, assisted by Mrs. Gladys Moon, Scout consultant, and Miss Ann Marie Santulli.Miss Santulli is a Junior Scout troop leader.

Congressman W. C. (Dan) Daniel (right) receives Man of the Year Award for Virginia from James A. Gavin, Legislative Director, National Federation of Independent Business, in recognition of Congressman Daniel's "outstanding efforts on behalf of small independent businessmen in Virginia and in the Nation."

Named "Man of the Year"

WASHINGTON, May 17--Rep. W. C. (Dan) Daniel was today named Virginia's "Man of the Year" by the National Federation of Independent Business. James A. Gavin, Legislative Director of NFIB, said Cong. Daniel received the award because of his "outstanding efforts on behalf of the small independent businessmen in Virginia, and in the Nation.'

Rep. Daniel, who was presented a handsome gold plaque mounted on oak, and outlined in the shape of Virginia, said he was "honored to receive this award. The small businessman and the independent, contributing citizen have formed the bedrock on which this nation was built. The economic future of America depends to a considerable degree on the maintaining of the positive influences exerted by the small independent businessman,'

The National Federation of Independent Business, which looks after the interests of small independent business, has more than 305,000 member-affiliated firms across the United States, employing some 2.5 million persons, and producing in excess of $48.8 billion annually.

In Cong. Daniel's home state, the Federation has more than 5,200 member firms, which employ some 44,000 people and contribute more than $1.1 billion annually to the economy of Virginia.

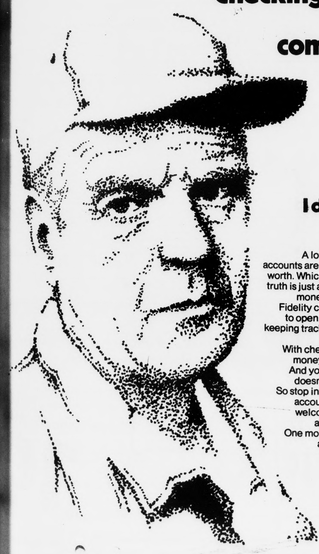
"Checking accounts are too complicated."



Besides, I don't feel easy in a bank."

A lot of people think checking accounts are more trouble than they're worth. Which is a shame. Because the truth is just about anybody can handle money better with the help of a Fidelity checking account. It's easy to open, easy to use, and it makes keeping track of your money as simple as 1,2,3.

With checks you know where your money is going. You waste less. And you save more. Best of all, it doesn't have to cost you a cent. So stop in and ask about a checking account of your own. You'll feel welcome and you'll get straight answers to your questions. One more thing. At Fidelity, we're an easy going group. Very informal. So come as you are.
